## ABOUT ME

Creative and dependable designer skilled in Adobe Creative Suite and experienced in branding, print, and digital 3D design. Known for strong visual problem-solving, originality, and collaboration. My background in care giving provides proven expertise in client support, meticulous task management, and effective communication with diverse audiences.

## EDUCATION

### Milwaukee Area Technical College, Milwaukee, WI Associate of Applied Science – Graphic Design

Developed portfolio including branding campaigns, rebrands, and multimedia advertisements for local businesses and national brands.

### Gateway Technical College, Kenosha, WI

Progress toward RN Degree (2018–2020) – completed general education and science coursework; gained clinical experience.

## EXPERIENCE

### In-Home Nursing | KPI Inc., Oconomowoc, WI | 2021–Present

Supporting young adults with cognitive and physical challenges, ensuring safety, well-being, and daily care. Strengthened time management and adaptability through balancing complex responsibilities. Built strong client relationships with clear communication and attention to detail.

### Caregiver | Amada Senior Care, Milwaukee, WI | 2017–2021

Managed daily care and administrative tasks for seniors, developing effective communication strategies and maintaining absolute professional integrity and confidentiality.
